The Harrison County Engineer intends to contract for engineering services in connection with the CR27 bridge construction inspection. Firms interested in being considered for the contract to provide the required services should reply with a statement of qualifications no later than 4:00 p.m. on May 9, 2024. Statements received after this deadline will not be considered.

Statement of qualifications should include information regarding the firm's history; education and experience of owners and key technical personnel; the technical expertise of the firm's current staff; the firm's experience in performing engineering studies, design, construction administration and construction observation; availability of staff; the firm's equipment and facilities; references; and any previous work performed for Harrison County.

Statements of qualifications should be transmitted to: Harrison County Engineer, 1 Service Garage Road, Cadiz OH 43907.

As required by Ohio Revised Code §153.65-73m responding firms will be evaluated and ranked in order of their qualifications. Following this evaluation, the Harrison County Engineer will enter into contract negotiations with the most highly qualified firm.

The preliminary project description is as follows:

Project description: county road 27 bridge construction inspection

Project location: cr27-0.45, freeport township

Description: construction inspection

Total project budget: \$65,547

Source of funding: CEAO
