### Jail Visitation

Help us help you, Prior to entry person(s) will be asked to provide their card as to the vaccinations they received. If you don't have a card you have to wear a mask one must be worn while visitation is taking place.

We have a small area here and don't have the area to quarantine inmates if they come in contact with COVID 19.

The new CDC guidelines state if you are fully vaccinated, we can resume visitation activities as we did prior to the pandemic.

- Fully vaccinated people can resume activities without wearing a mask or physically distancing, except where required by federal, state, local, tribal, or territorial laws, rules, and regulations, including local business and workplace guidance.
